Dragonfly Heart Camp is a very special summer camp for children who have received a heart and/or lung transplant, or are diagnosed with Pulmonary Hypertension. It is the first camp in the country that is specifically designed to accommodate children with these complex cardio-pulmonary conditions. The camp is staffed with medical experts who donate their time to make this camp a reality for kids with these challenging health needs. The cost to send one camper to camp is $1,500.00 per child. All campers attend this camp for FREE, thanks to supporters like you! 100% of the proceeds from this Run/Walk directly benefit Dragonfly Heart Camp. Dragonfly Heart camp is a 501(c)3 non-profit organization. Thank you for helping us fulfill the dreams of summer camp for these extraordinary kids!
